Profile

As a skilled and experienced web developer and designer, I have a passion for creating stunning websites that engage users and drive conversions. With a Google certification and expertise in various marketing techniques, including SEO and outreach, I have helped numerous clients achieve their online goals. My best qualities include a keen eye for detail, excellent project management skills, and the ability to adapt to new tools and technologies quickly.

Employment History

Assistant Director, Vinnytsia Expert Company LLC, Vinnytsya

MAY 2013 – DECEMBER 2016

From 2013 to 2016, I worked as an Assistant Director at Vinnytsia Expert Company LLC, where I gained experience in team management, project coordination, and customer relations. In 2016, I joined the "Gingerbread House" company as a Manager, where I successfully led a team of designers and developers to create visually appealing and functional websites.

Freelancer (remotely), Upwork, Kiev

DECEMBER 2016 – NOVEMBER 2018

I transitioned to become a Freelancer at Upwork, specializing in web development, web design, and SEO. During this time, I honed my skills in various areas, including WordPress, Shopify, and project management, while working with clients from around the world.

Web Developer, Web Designer, and SEO expert, Fiber.ninja, Kiev

NOVEMBER 2018 – DECEMBER 2020

I joined Fiber.ninja as a Web Developer, Web Designer, and SEO expert (remotely), where I played a crucial role in developing websites and optimizing them for search engines. My contributions helped the company gain a competitive edge in the market.

Web Developer, Web Designer, and SEO expert, Brainwork.agency, Kiev

DECEMBER 2020 – PRESENT

Since 2022, I have been working remotely as a Web Developer, Web Designer, and SEO expert at Brainwork.agency, where I continue to create visually stunning and user-friendly websites for clients, while also optimizing them for search engines. My dedication and expertise have helped me deliver excellent results, and I am committed to making a meaningful impact on the company's success.
